# A Smart Sustainable Farming Model Working For

You

**1**

## Buy Your Farmhouse Land and Lease it back to us

Receive full legal registered possession of your plot.

We take operational responsibility for cultivation, management, and upkeep.

**2**

## Mixed Farming Begins on Your Land

With big trees, medicinal trees, mixed crop farming, animal husbandry, polyhouse, cottage industries, and a gaushala. Your acre becomes part of a larger integrated farming ecosystem.

**3**

## Earn Stable Regular Returns

You get guaranteed monthly income and access to fringe benefits while the land grows in value.

*Geodesic dome*

*Gir Gaushala*

*Green House*

*Poly House*

*Rustic Interiors*

*Farm to table*

## Your Personal Retreat

Every plot owner receives 15 complimentary days per year at the Lakeside Guesthouse, equipped with all amenities.

## Spiritual Connect

A dedicated Gir cow is assigned to each plot owner, creating a spiritual connection and adding emotional value to the ownership.

# A Location Blessed by Nature & Spirituality

Located beside the expansive Gagantalab Lake in Karahi (near Mhow, Indore), Vaidik Greens enjoys a rare combination of natural beauty, fertile soil, and abundant water availability. The region supports year-round cultivation, making it ideal for mixed farming and ecological development. The scenic lake view and lush surroundings make it not just an investment—but a serene retreat.

## Visit the Site. Feel the Serenity. Own Your Acre.

Zero maintenance farming investment

Managed mixed farming with regular returns

Safe, stable, and long-term asset growth

Spiritual connect with a dedicated Gjr cow

15 days complimentary guesthouse stay per year

We invite you to experience the surroundings, fertile land, and pristine lake views at location. Our team will guide you through the project, plans, and investment details during your visit.
